Dear Academics ETC. families,

We hope all of you are healthy and successfully completed the academic year. It is certainly a challenging time. We have spent the last three months tutoring via Zoom, Skype, and FaceTime, and have seen a handful of students on-site for one-on-one tutoring and Homework Club. It was important to us to provide assistance to both students and families to complete the 2019-2020 academic year.

At this time, we have determined that we must close our physical doors. Academics ETC. and our tutors will continue to be available to support students remotely and we are implementing new platforms and procedures to be as effective as possible.

Summer rates (effective 6/20/2020) will be discounted by 20%:

College Counseling, College Course Tutoring, AP courses, ACT/SAT Test Prep:
\$64/hour (Currently \$80/hour)

High School Tutoring: *\$56/hour (Currently \$70/hour)*

Middle School/Elementary Tutoring: *\$52/hour (Currently \$65/hour)*

Appointments will continue to be made through me for all tutors. Please text or call me at 530-219-5973 or email me at susancwilliams@earthlink.net.

ACT/SAT Classes: The Winter ACT/SAT class was interrupted and I owe those students some time! I will provide each of you with four hours of one-on-one time. We can continue test prep or work on college applications.

Homework Club: Stay tuned for details about our virtual Homework Club which will be available to support your students for the 2020-2021 academic school year.

We look forward to continuing to work with your students. Please contact me with any questions.

Susan
